We all love tomatoes, but did you know... they aren't a vegetable at all. They are actually a FRUIT!
The food superheroes want you to decide if these foods are a FRUIT or a VEGETABLE?

Extra KS2 Activity
Can you label the different parts of this plant?

Curriculum Links
Science
Art

KS1 & KS2
Activity 1: Can you name all these different foods?
Activity 2: Now decide if these foods are fruits or vegetables!
Activity 3: Draw your favourite fruit or vegetable. Label its different parts. Do you think its a fruit or vegetable?

Take a picture of your favourite fruit or vegetable and tag us on Instagram using the hashtags below!
