

Our Superheroes are going to challenge you to create your own pond to match your pea pond slime! Look at the list of pond dwellers below and see if you can think of any more!

Create a live ecosystem! KS2

If you live near a pond with the help of an adult, scoop a jar of pond water up and seal with a lid.

Place on a north facing window sill.

Look each day and see if you can identify anything living in the water.

Tadpoles	Fish
Frogs	Dragonflies
Rocks	Algae
Reeds	Ducks
Lilypads	Water

You will need:

- A shoe box or a large piece of paper
- Magazines and Newspapers to cut
- Crayons/Colouring pens
- Glue
- Pebbles, grass, and other outside materials
- Anything else you would like to use!
- Magnifying glass (optional)
- Jar with Lid
- Pond water

YOUR ACTIVITY

KS1 & KS2

Part 1 - Find a shoe box or large piece of paper and open it up to create a pond habitat.

Part 2 - Find old magazines and newspapers and cut out pictures of pond life or draw some if you can't find any.

Part 3 - Glue in all the pictures you can find or draw. You could also hang any of the flying creatures if you're feeling creative!

Part 4 - Take a picture of your creation and tag us on Instagram using the hashtags below!
