Pasta Shapes

Today's curriculum links:

Languages

?

Italians eat bolognese with tagliatelle because the sauce and the meat stick better to a flatter pasta shape, rather than thin spaghetti.

When translated from Italian to English some pasta shapes have some rather odd names.

Can you match these names?

KS1
&
KS2

Spaghetti

Little Worms

Farfelle

Little Strings

Linguine

Pens

Ravioli

Little Tongues

Vermicelli

Little Turnips

Penne

Butterflies

The Italian word for pasta means paste

flour + water
= paste

Italian pasta
is based on
the Chinese
noodle!
