Hay Grade/Work Level	Admin
Salary	Grad salary (from £23,000)

This role profile is a guide to the work you will initially be required to undertake. It may be changed from time to time to incorporate changing circumstances. It does not form part of your contract of employment.

Overall Purpose of the Role

The nutritionist will be responsible for supporting Chartwells with the delivery of nutrition education for employees, clients and consumers across all sites. The nutritionist will engage with key stakeholders and will translate complex nutrition information into simple messages relating to food and health. The nutritionist will support the food offer with knowledge of legislation around food and nutrition including the Food Information Regulations. The nutritionist will support sales and retention presentations to enable Chartwells to hit annual growth and retention targets. The nutritionist will write articles and case studies to help showcase successful initiatives that the Nutrition Team have executed. As part of the graduate scheme, the nutritionist will be responsible for completing training and development courses which will enhance their CPD and support their registration with the Association for Nutrition.

Key Responsibilities

- Attending sites on a weekly basis
- Delivering nutrition education sessions to a wide variety of audiences
- Communicating nutrition information through posters, blogs and website posts
